

Arched Frames

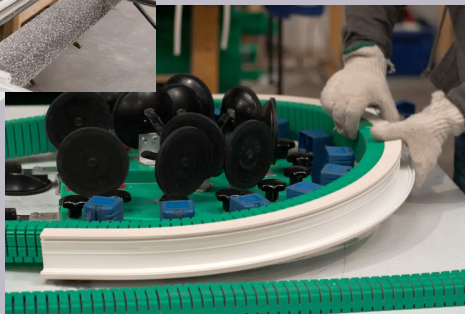

Bespoke curved door frames.

Experience craftsmanship without compromise.

Our curved door frames are fully bespoke, designed and built to your exact specifications.

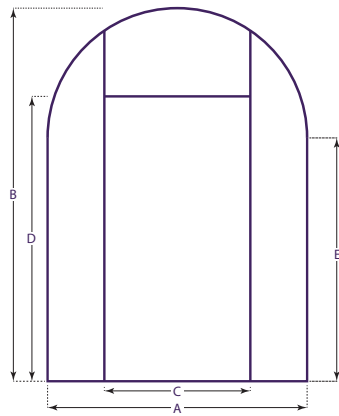

Whether you're enhancing a contemporary space or restoring a period property, each frame is made to order, ensuring perfect fit, flawless curvature, and exceptional finish.

To give you maximum flexibility, we offer seven unique combinations of profiles shape, allowing you to tailor every detail to your space.

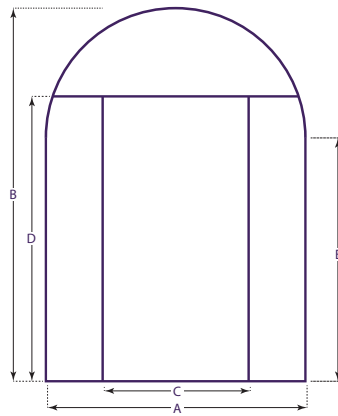

Choose your frame and door style.
